District Partnerships

&

- Please submit this form to the Career Centre if you wish to learn more about these programs

District Partnerships are developed in partnership with local post-secondary institutions to provide specialized training. The purpose of these programs is to allow students to complete first year post-secondary courses while working towards graduation.

- Please speak with someone in the Career Centre about applying for these programs
- Students must apply for most of these programs by **March 1st** of their grade 11 year
